

SALISBURY BULLS 2020 PLAYER AGREEMENT

1. All players must agree to participate in the scheduled matches for the entire 2020 season. Teams are selected based on consistent availability and players are expected to be available for all matches. Games commence on Saturday 18th July 2020 and will be played across Saturday afternoons for 8 weeks, with the final round seeing a double round including potential matches on Friday and Sunday. Finals will then follow over 2 Saturdays with Grand Final Day scheduled for Saturday 19th September 2020. Players need to be available for all matches, please contact the Sports Co-Ordinator if you are not available so your position in a team can be reviewed.
2. All players will be invoiced for the 2020 Bulls Player Season Fee. This fee is a set amount as determined by the Owner of the Club. This fee covers the Indoor Sports SA Registration Fee, all minor round match fees and incidental costs including Bulls Presentation Night and other costs associated with the coordination of the club. This fee must be paid in full or in \$50 weekly instalments until fully paid. All players must ensure they are financial or they will not be available for selection. Any team that makes finals will be required to pay their finals match fees at that time.
3. Uniforms will be made available for purchase. All players must purchase a Bulls playing top or dress. Uniforms are being ordered and will be made available ASAP. Payment will be made separately to the club from the season fees and will be advised to players.
4. All Salisbury Bulls players must adhere to the Indoor Sports SA Code Of Conduct and behave in a manner that is respectable at all times. Salisbury Bulls players should keep in mind that they are representatives of Action Indoor Sports and Inflatable World Salisbury and any untoward behaviour by players either on match days, at trainings or at any other times outside of our venue whilst wearing our uniform will be addressed by the Owner of the Club.
